## Eco-Friendly Holiday Gift Ideas

*This year give environmentally conscious green gifts for the holidays that everyone will appreciate.*

### Energy Independence

Be prepared with this useful safety kit which includes an AM-FM radio with flashlight and a lantern. Both can be hand cranked so you never have to worry about running out of batteries. The radio comes with a solar panel for easy charging during the day. Great for camping, power failures and everyday use. A thoughtful gift that will be appreciated.

FPEK01 - only **\$59.95**

### Eco-Toddler Kit

Mothers with babies or toddlers will appreciate this kit. Once a child starts to eat on their own, here's what they will need: a BPA-free stainless steel sippy cup, a BPA-free high quality stainless steel food jar for hot meals and an organic alcohol-free hand sanitizer to clean up once the eatin' is done! Kit includes a sport cap to replace sippy spout once child gets older. Extend the use of your stainless steel bottle for years. *(Foogo Food Jars come in pink or blue)*

BPAF01 - only **\$39.95**

### Waste Free Lunch Kit

Brown bag it in style with this reusable stainless steel lunch kit. Help the environment by reducing waste. Kit includes a stainless steel bottle, a stainless steel Thermos for hot meals and a stylish neoprene Gourmet Getaway Tote. *Different Tote colors available.*

WFLKAS - only **\$54.95**

### His & Hers Sport Bottles

For the sport oriented active couple here's a practical gift that is sure to please. Move away from single use plastic bottles with these high quality stainless steel water bottles from Klean Kanteen. Great for runners, hikers, cyclists, and sport enthusiasts. Each bottle holds 800 ml. Comes with one pink bottle and one blue bottle. *(different caps available)*
